Working-Member Application

Thank you so much for your interest in becoming a working member of our Co-Op! There are many benefits to becoming a member: being part of a fantastic community of caring, hardworking, and food-loving individuals; access to our weekly fresh fish orders; deep discounts on preorders, and daily discounts* on the foods you love (just to name a few)!

Working positions in the store average 4 hours a month, but are divided many ways, depending on the position. There are many job possibilities for our member-workers, and we'll do our best to match up your available time and skills with the Co-Op's needs. However, we cannot guarantee that every member will be assigned to their desired position.

When you join our working-member team, make no mistake, *you* are vital to the success of our store. We could not be here without the hard work and dedication of our members.

To help us find the best fit for you, please fill out this application as completely as possible and return it to a Co-Op staff member. We look forward to working with you!

*The working member discount does not apply on pre-orders or sale items.
